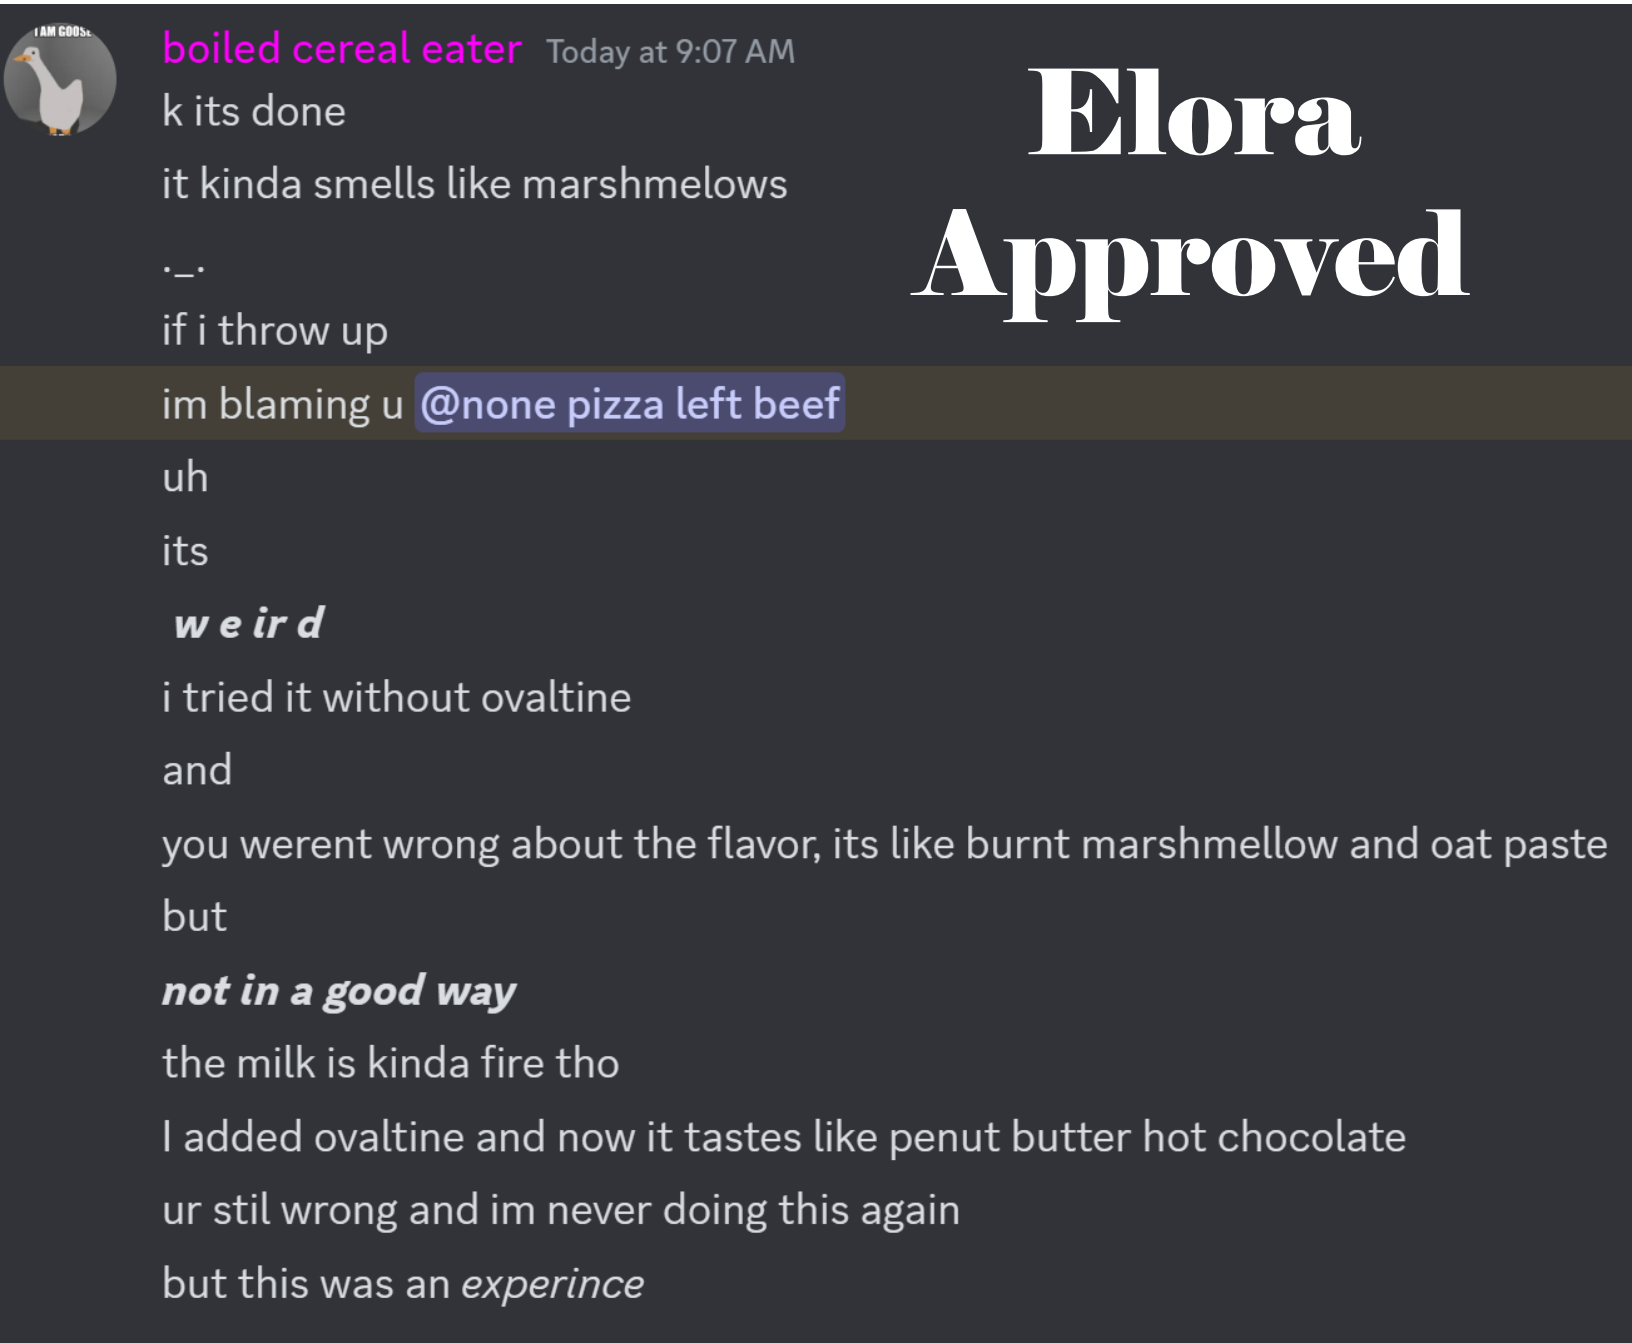
None Pizza With Left Beef

Boiled Cereal

Just boil it

Its not that hard



boiled cereal eater Today at 9:07 AM
k its done
it kinda smells like marshmelows
._.
if i throw up
im blaming u @none pizza left beef
uh
its
w e ir d
i tried it without ovaltine
and
you werent wrong about the flavor, its like burnt marshmellow and oat paste
but
not in a good way
the milk is kinda fire tho
I added ovaltine and now it tastes like penut butter hot chocolate
ur stil wrong and im never doing this again
but this was an experince
